Seeking opportunities to show my abilities, working well with the team, enjoying learning new technologies. Every time I have an opportunity or a new project, I always take it seriously and actively, designing solutions with enthusiasm.

Work Experience

Young & Hungry Agency · Internship

User Interface Designer

San Francisco | September 2019 – December 2019

This job is to design an app for the non-profit organization Blue Endeavor. I am responsible for the user interface design of the page in the team.

Under East Studio · Self-employed

Founder

Qingdao, China | January 2013 – December 2014

I founded a personal studio, mainly engaged in the design of hospital uniforms and product outsourcing production.

Mengpin E-Commerce Co., Ltd · Full-time

Fashion Designer

Beijing, China | April 2012 – December 2012

This job I acted as a designer in the brand development office in the E-commerce fashion company. My work was to create prints embossed on a variety of garments, develop the fashion trends and styles of garments with the team.

EVE Enterprise Group · Full-time

Assistant Fashion Designer

Beijing, China | August 2011 – April 2012

The job was to assist design a new brand Jaques Pritt at EVE Fashion, a famous men's clothing company in Beijing. I joined in developing and designing the 2012 costume, mainly responsible for analyzing the fashionable trend of each season and meanwhile creating new patterns.
